## Look For It Here

She said

Look for it here

I've got honeycomb, wolf's teeth,  
 a landslide  
 I've got a cat-flap, swing-doors  
 and a skylight  
 I've got positions as plentiful as the  
 eggs of a fly

You smile

Why is disinterest respected so  
 highly?

I can see my face carrying itself  
 in your eye  
 Don't look at me slyly  
 Don't wander alone for ten years  
 asking why

Look for it here

I *am* normally this antagonistic  
 And I *expect*  
 Happiness
