ATLANTIS is an interdisciplinary journal devoted to critical and creative writing in English or French on the topic of women. The Editorial Board welcomes manuscripts embodying all viewpoints on women's studies. Submissions should be no more than 10,000 words in length. Book and film reviews, photography and graphic work will also be considered for inclusion in **ATLANTIS**.

A refereed journal, **ATLANTIS** is funded by the Social Science and Humanities Research Council and through subscriptions.

ATLANTIS is published twice a year. Subscriptions are available at \$10.00 per annum for individuals and \$16.00 for institutions. For Overseas mailings please add \$4.00.

Subscriptions and manuscript submissions should be addressed to:

The cover painting **AMBIVALENCE**, is by Carol H. Fraser of Halifax, N.S., 50" x 50", oil on linen, 1970-71. The copyright remains with the artist.

ATLANTIS est l'unique revue interdisciplinaire au Canada consacrée à des études critiques et originales, rédigées en français ou en anglais. Sa rédaction invite ses collaborateurs éventuels à lui soumettre tous manuscrits illustrant leurs divers points de vue touchant aux études sur la femme. Les textes proposés doivent comprendre 10,000 mots maximum. Critiques de livres et de films, photographies et illustrations diverses peuvent être publiées par la Revue.

Revue critique, **ATLANTIS** reçoit une subvention du Conseil de Recherches en Sciences Humaines du Canada. Elle est également financée par ses abonnés.

ATLANTIS paraît deux fois par an. Abonnement: \$10.00 par an (particuliers) et \$16.00 par an (institutions). (Prière d'ajouter \$4.00 pour tout abonnement outremer.)

Toute correspondance concernant les abonnements ou les manuscrits doit être adressée à:

Atlantis is pleased to publish a selection of papers on the theme Women's Domestic Labour and Wage Labour. In this section of the journal our guest editors, Pat Armstrong, Vanier College and Pat Connelly, St. Mary's University, have included a range of papers which reflects the current state of our knowledge and the current debates. We wish to thank Pat Armstrong and Pat Connelly for editing this special section and for their cooperation and advice in the preparation of this issue.
