

Oracle

She behaves
in composition,
regarding
all around
who gather
to watch -
and entertain
thoughts
of decadence.

Basking
in more
than glory,
her eyes
brush the surface
through coveted
mirrors -
cutting
piece
by
piece.

Believers know,
behind rose tinted glass
images fade
faster than visions
of grandeur
or
benevolent smiles.
Depending upon him,
she questions
her directions.

Jane Edwards
