Atlantis was an ancient kingdom, an island in the Atlantic, which disappeared during an earthquake. Fabulous stories are told about the beauty of the people who lived there and the kind of civilization they created. We take Atlantis as a symbol of the lost kingdom which women are striving to re-discover by discovering themselves.

L'Atlantide, royaume du temps jadis, disparut pendant un tremblement de terre. Cette île, perdue sous les ondes de l'Atlantique, était renommée dans les légendes pour la beauté de ses habitants et leur civilisation. Pour nous, l'Atlantide est un symbole de ce royaume perdu que les femmes essayent de retrouver, tout en retrouvant leur propre identité.
